Effective May 18, 2025, the first section below will replace the existing section in the terms and the Citi Travel section will be added to your Citi Double Cash Card Terms and Conditions: With the Citi Double Cash Card, you can earn ThankYou Points for purchases and payments made on your card. Unless you are participating in a limited-time offer, you will earn: 1 ThankYou point per \$1 spent on purchases. 1 ThankYou point for every \$1 paid on your purchase balance as long as there is a corresponding balance in your Purchase Tracker. 3 additional ThankYou Points for each \$1 spent on hotels, car rentals and attractions booked with Citi Travel via citatravel.com or 1-833-737-1288 (TTY:711). Points can be redeemed for cash back as a direct deposit, statement credit, or check. For example, redeem 10,000 ThankYou Points for a \$100 direct deposit, statement credit, or check. Points can also be redeemed for a variety of other rewards, such as gift cards, travel and more - redemption values vary depending on how you choose to redeem your ThankYou Points. See below for additional details. **Citi Travel:** You will earn 3 ThankYou Points for each \$1 spent on hotels, car rentals, and attractions when you use your Citi Double Cash Card to book them with Citi Travel via citatravel.com or 1-833-737-1288 (TTY:711). When combined with the 1 ThankYou Point for purchases and the 1 ThankYou Point for payments, this totals 5 ThankYou Points per dollar. This may overlap with other special offers in which you are currently enrolled. You must use your Citi Double Cash Card to make the purchase with Citi Travel. For bookings made with a combination of points and your Citi Double Cash Card, only the portion paid with your card will earn points. Points are not earned on cancelled bookings. About Interest Charges

How We Calculate Interest. We calculate it separately for each balance shown in the Interest Charge Calculation table. We use the **daily balance method (including current transactions)** if the Balance Subject to Interest Rate is followed by (D). We figure the interest charge by multiplying the daily balance by its daily periodic rate each day in the billing period. To get a daily balance, we take the balance at the end of the previous day, add the interest on the previous day's balance and new charges, subtract new credits or payments, and make adjustments. The Balance Subject to Interest Rate is the average of the daily balances. We use the **average daily balance method (including current transactions)** if the Balance Subject to Interest Rate is followed by (A). To get an average daily balance, we take the balance at the end of the previous day, add new charges, subtract new credits or payments, and make adjustments. We add all the daily balances and divide by the number of days in the billing period. We figure the interest charge by multiplying the average daily balance by the monthly periodic rate, or by the daily periodic rate and by the number of days in the billing period, as applicable.

How to Avoid Paying Interest on Purchases. Your due date is at least 23 days after the close of each billing cycle. We will not charge you interest on purchases if you pay your monthly Citi Flex Plan Payment Amount plus your entire balance, excluding any Citi Flex Plan balances, by the due date each month. If you do not pay your monthly Citi Flex Plan Payment plus your entire balance, excluding any Citi Flex Plan balances, by the due date each month, you will pay interest on your purchases from the date they're posted to your account. We will begin charging interest on cash advances, balance transfers, and Citi Flex Loans on the transaction date. We will begin charging interest on a Citi Flex Pay balance subject to an APR at the start of the billing cycle following the billing cycle during which you created the Citi Flex Pay.

Your Rights

What To Do If You Find A Mistake On Your Statement.

If you think there is an error on your statement, write to us at the address for billing inquiries and correspondence shown on the front of your statement. In your letter, give us the following information:

- Account information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

IBCSR.2-0722

Your Rights if You Are Dissatisfied With Your Credit Card Purchases.

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have been fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us online or in writing at the Customer Service address shown on front of statement.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.
